THE Republicans of Nebraska are special session of the Legislature, to act upon the Fifteenth Amendment, do so. They are anxious to have the vexed question out of their State polities and know of no better way than

tities and know of no better way than to act upon the proposition this Winter.

The New Albany Commercial says the election in this city on Wednesday last shows that our people are wide awake to their interests, and rightly concludes that the building of rightly concludes that the building of the road into Southern Illinois will be appropriated to building a monument for nimes and the investigation of the trade.

Alexander weather-board mitls of the states and the mill of weathern the same smill of the same smill of the same smi

nearly as long as the road itself. He talks about a multiplicity of things, and quotes from Shakspeare's Midsummer Night's Dream Puck's boast summer Night's Dream Puck's Boast that he would girdle the carth in forty minutes. The quotation, as applied to the Doctor's visionary scheme, is significant. If his enterprise does not prove more illusory to many who invest in it, than a Midsummer

Night's Dream, we will throw up all pretensions to good guessing hereafter.

Another Government official in New York city seems to be implicated in defrauding the Government. The loss to the Government. The loss to the Government and the official implicated is in the Collector's Department, and the official implicated is in the Collector's Department, and the official implicated is R. M.

BLATCHFORD, Deputy Collector. The whole affair is undergoing a rigid investigation, and the guilty one will soon be smoked cu: It is one of the ministration that rascalities which are bringing 600 troops. covered up by other administrations a rreted out, and the officials com-m...ng them dismissed in disgrace.

On Friday last the Mayor and Aldermen of the city of Galena, Illinois, were arrested by a United States Marshal, and taken as prisoners to Chicago. Their offense is contempt of the orders of the Court in that they refused to levy a tax to pay off and burnt. The insurgents were des suit. Arguments were made on the certain bonds of the city of Galena, relieved trains now due. They were released on have been a ludicrous scene, those prevails in the jurisdiction of Reme- mission and taken the cath of office.
